

Activity

Length

## Barriers to Free Trade

## Learning Objectives

Students will examine free trade and how globalization factors into the production of common items like clothing.

## 30 Minutes Materials What Is Trade? What Gets in the Way of Free Trade? The Globe-Trotting Journey of a Sneaker Barriers to Free Trade

## Instructional Plan

(30 Minutes) Global Trade Barriers Activity:

- This activity builds upon readings and videos students watched with a focus on trade barriers. Referencing
  the barriers to free trade listed in <a href="What Gets">What Gets</a> in the Way of Free Trade? students will work in pairs to find
  connections to current events.
- Have students pair up and complete the *Barriers to Free Trade in the News*worksheet.
- Students should use newspapers, magazines, or the internet to locate articles that reference each type of trade barrier. Note: It helps if they include "trade" with the barrier term as they search.
